

REQUEST FOR SUPPORT COMMUNITY AMBASSADORS & TEAM MEMBERS

October 23, 2018

Dear Community Advocate,

Thank you so much for your willingness to be a vital part of the **Pathways For Prosperity (P4P)** workgroups over the past few months. Your voice, heart, and commitment is helping to build sustainable processes that will ensure that all citizens in our community have a clear path to prosperity. We are now in transition to the next phase of P4P, and we need your continued support, advocacy, and leadership.

What does that look like?

We are establishing **Community Revitalization Teams (CRTs)** in each of the 11 focus communities identified through the P4P initiative. The communities include:

Old Wilmington Road	Massey Hill	Murchison Road
Ramsey Street-Country Club Dr.	Cedar Creek Road	Bonnie Doone
Shaw Heights/University Estates	Bunce Road	Spring Lake
Downtown Fayetteville	SE Cumberland County	

Each CRT will be led by a member of the community and will establish an anchor institution (e.g., church, school, community-based organization). CRT goals will include:

- *Recruiting team members to build the network within their community*
- *Implementing the objectives and strategies in the Comprehensive Action Plan (CAP) in their community*
- *Ensuring connections are created between community resources available through supporting agencies and organizations.*

How can you support the 11 focus communities?

We are looking for volunteers who have served as co-advocates and those who have attended workgroup sessions over the past several months. Interested individuals would agree to commit to a minimum of six months to serve on the **P4P Community Revitalization Team** led by the Community Revitalization Organizer. The roles of the **Community Revitalization Ambassador** and **Community Revitalization Team Member** are outlined as follows:

REQUEST FOR SUPPORT COMMUNITY AMBASSADORS & TEAM MEMBERS

Community Revitalization Ambassadors: (Co-Advocate and Work Group Participants)

Role: To engage the community members in 3-4 of the 11 focus communities to identify leaders, stand up Community Revitalization Teams, and coordinate early implementation steps of the P4P Comprehensive Action Plan.

Community Revitalization Team Members:

Role: To coordinate with the Community Revitalization Ambassador and engage community members in order to stand up a Community Revitalization Team in **one** community.
